Test procedures

How do we test products at TESTHELD?

In the following section, we'll go into more detail about the features and impressions. To give you a quick overview, we use a scoring system with a maximum of 100 points per area. The final overall score is calculated from the average of all tested features, taking the weightings into account accordingly.

First impression

What is your first impression after unpacking?

The **Ibergrif M502 Manual Chopper** presents a compact and sturdy design. The materials feel robust, and the pull cord mechanism operates smoothly. Its small footprint makes it an excellent addition to kitchens with limited space, and the manual operation ensures it's ready to use anywhere, even without access to electricity.

CRITERION	REMARK	SCORE
FIRST IMPRESSION	Sturdy, compact design	90

WEIGHTING: 25% (MAX SCORE 100)

Product packaging

How was the product packaged?

CRITERION	REMARK	SCORE
PRODUCT PROTECTION	Secure & protective packaging	90
HAPTIC	Smooth & ergonomic	88
OPTICS	Functional & clear labeling	85
IN TOTAL		88

WEIGHTING: 25% (MAXIMUM SCORE 100)

The product arrives in secure, protective packaging that keeps all components intact during transit. The packaging is functional, but there is room for improvement in terms of eco-friendliness. The instructions are clear, making the unboxing experience straightforward.

Handling

What about the comfort and space requirements of the product?

The **Ibergrif M502 Manual Chopper** is easy to handle and operate, with the rope pull mechanism making chopping simple and efficient. It's lightweight yet durable, and the ergonomic design ensures a comfortable grip during use. Its compact size makes it convenient for quick storage, especially in smaller kitchens.

CRITERION	REMARK	SCORE
COMFORT	Ergonomic & comfortable grip	92
SPACE REQUIREMENTS	Compact & easy storage	90
IN TOTAL		91

Customer service

Is it possible to contact the seller directly?

All contact options are available for customers to get in touch with customer support. All in all, it's easy to contact support for questions and other concerns.

CRITERION	REMARK	SCORE
SUPPORT OPTIONS	Amazon Support, own customer support, phone, mail	100
SERVICEQUALITY	Fast and friendly support	100
TOTAL		100

WEIGHTING: 25% (MAX SCORE 100)

CRITERION	WEIGHTING	SCORE
